

BVB College of Engineering & Technology

Established in 1947, BVBCET has achieved an enviable status due to strong emphasis on academic and technical excellence. From a modest beginning when the college offered only an Undergraduate program in civil engineering, the college has indeed come a long way. Today BVBCET is an autonomous college affiliated to Visvesvaraya Technological University, Belgaum. The college offers 12 UG, 9 PG and PhD programs and is recognized by AICTE, New Delhi and accredited by NBA. Current annual student intake for Undergraduate & Post Graduate programmes is in excess of 1200.

The Institution is lead by visionary leadership. Faculty consists of qualified and dedicated academicians whose commitment to education and scholarly activities has earned reputation in the field of engineering education. The college has adopted Outcome Based Education (OBE) framework to align the curriculum to the needs of the industry and the society. Innovative pedagogical practices in the teaching learning processes form the academic eco system of the institution. The active involvement of faculty in research has led to the recognition of nine research centers by the Visvesvaraya Technological University.

OBJECTIVE

Data Analytics stands for the intelligent and efficient handling and usage of large, heterogeneous and fast changing amounts of data. The ultimate goal of data analytics is the generation of valuable insights from ever growing amounts of data.

The goal of the workshop is to discuss on the state of the art and to present new research findings and perspective of future developments in the field of Data Analytics.

The workshop has the following objectives:

To train the participants on Data analytics technologies.

To motivate participants to carryout research in the areas of Data Mining and Data analytics.

To give exposure to advanced tools and allow the participants to undergo experimental studies.

The pedagogy consists of knowledge sharing sessions, hand-on sessions, case studies and research mentoring.

RESOURCE PERSONS

Dr. Anjaneyulu Pasala
R&D, Infosys, Bengaluru

Dr. Srinivas Padmanabhuni
Chief Mentor, Tarah Technology, Bengaluru

Mr. Srikant Gunturu
Senior SAP Software Architect
General Electricals (GE) Bengaluru

ELIGIBILITY

The workshop is open for Practitioners, Research scholars and faculty members of all engineering colleges and Universities.

Pre-requisite: Programming Experience in C/C++/Java, Foundational knowledge of DBMS
